About Conference

The International Conference on Empowering Women in Science, Technology, Engineering, Arts and Management (ICEWSTEAM 2025) is a global platform dedicated to promoting gender equality and inclusivity in STEAM (Science, Technology, Engineering, Arts, and Mathematics). Under the theme "Bridging Gaps and Building the Future," the conference will address the challenges faced by women, celebrate their achievements, and encourage innovation and leadership. In alignment with the United Nations Sustainable Development Goals (SDGs 4, 5, 9, 10, and 17), the event fosters collaboration and change to advance women's participation and impact in STEAM.
